

# My Experiences with Settlement Design Competitions

## THE INTERNATIONAL ROUND AT NASA

I got to see an actual rocket launch at Cape Canaveral! - This is SpaceX's falcon rocket

## THE ASIAN REGIONALS IN DUBAI

Team Ignite with the trophy back home

The winning design of an asteroid transporter!

## THE INDIAN NATIONALS - MY FIRST LIVE ROUND

We were tasked with creating designs for a lunar settlement in a crater that served as a transportation hub. This was my first time being the Director of Structural Engineering

That WINNING feeling!

## INTERACTIONS WITH DIRECTORS OF THE NEHRU PLANETARIUM IN MUMBAI

I presented our team's design for the settlement 'Atlas' at the Nehru Planetarium. I gained valuable insights from Mr. Arvind Paranjypte (Center) and Mr. Rohan Lahane (Left) about various structural elements.
